

'Dylan' To Open Season

Sidney Michaels' adult play "Dylan" will open Friday, Sept. 23, for a five-week-end run at the Palos Verdes Playhouse, 2541 Via Tejon, Palos Verdes Estates.

Mrs. Rosemary Buell will direct the production, first of the Palos Verdes Playhouse fall season. She has promised patrons "an opportunity to experience the intimacy of Little Theater at its best."

Mrs. Buell has compiled an impressive list of credits as a director and actress since coming to California. She won the best comedy actress award for her portrayal of Constance in "Marriage-Go-Round" and was named best supporting actress for her role in "Night of the Iguana."

OTHER CREDITS include the role of Fairy Mae in "Curious Savage" and of Madame Rosepetal in "Oh Dad, Poor Dad."

Previous productions at the Palos Verdes Playhouse which Mrs. Buell has directed include "Picnic," "Tunnel of Love," and, most recently, "Period of Adjustment."

Featured in "Dylan" are Dick Miller, Priscilla Capelli, Ed Siani, JoAnn Gungora, Terry Collier, Jane Cobabe, and Ruth Maison.

Reservations are available at the theater. "Dylan" will close Oct. 22.

New Chorus Will Meet At School

A new season of an adult singing group in the Harbor area has been announced by Malcolm Grocher, supervisor of adult choruses for the Los Angeles Bureau of Music of the Department of Municipal Art.

The South Bay Adult Chorus, under the direction of William Mathies, will meet each Monday from 7:30 until 9:30 p.m. at the Narbonne High School choral room, 24300 S. Western Ave., Harbor City.

The group is open to all adults with a serious desire to sing and a wish to take part in many scheduled concerts to be produced by the Bureau of Music, according to Grocher.

Gem Show Scheduled In October

"Nature's Treasures" will be the theme of the annual gem show of the South Bay Lapidary and Mineral Society to be held at the Torrance Recreation Center Saturday and Sunday, Oct. 8 and 9.

The show, co-sponsored by the Los Angeles County Department of Parks and Recreation, will feature several demonstrations of lapidary equipment, mineral collections, and special guest exhibits.

Hours are 10 a.m. until 10 p.m. both days. The Recreation Center is located at 3341 Torrance Blvd.

Exhibitions on faceted stones, gold jewelry, petrified wood, and sand paintings are being prepared. Guest exhibitors will include Martha and Ernest Eberhart, Larry Coker, Lorne C. Hays, Laverna Coburn, and Lloyd and Louise Dorner.

Flight Tests Under Way for New Navy Plane

Test flights for the Navy-Douglas A-F4, newest of the family of Skyhawk attack bombers, have begun in Palmdale, Calif.

Production of the fighter plane under a \$44.3 million Navy contract is under way with deliveries expected early in 1967.

Douglas builds the A-4F and a training version, the TA-4F, at its aircraft facilities in Torrance, Long Beach, and Palmdale.
